

My name is Pepper. I'm guessing you can tell why.  
I am a 7 mos. old female who has been  
spayed. I am loving and playful. I can be  
quite a loner at times. But not for long.  
I love to watch sports and Nemo on T.V.  
I'm really something I hear people say.  
I don't have problems with dogs once I get to  
know them. I'm okay with kids, but shy at first.  
I'm not much of a lap kitty, but love to lay  
around where you are.  
If you want a pal who loves to play  
and is full of life, then come and get me.
