

happy little rescue and was very afraid at first but  
she has come around beautifully and is quite  
easy to be someone's cherished pet. Dorothy is  
a year old and weighs 5 pounds. She loves to be  
fed chow and isn't a barker. Dorothy is potty  
trained so we were quite. She had a rough start  
in life but she's forgiven all human transgressions  
and wishes for a forever home of her own. We  
think that Dorothy will be just what you need  
where she belongs.
